

# FutureSkills Educators Training

Presenting a brand new mass engagement series by Character & Leadership Academy. **FutureSkills Educators Training** aims to provide insights into the world of Youth Development. These workshops will be aligned with SkillsFuture, a government initiative to help students gain skills and continue to sharpen them throughout their careers. Tailored to match the needs of the target audience, participants will be **engaged** in issues which matters to their students, be **equipped** with the latest skills and knowledge to facilitate learning and be **empowered** to help youths make the best life decisions.

**FutureSkills Educators Training** is designed to build the capacity of school educators in facing real challenges of Youth Engagement. There are 3 themes each (Primary or Secondary Schools) to choose from: Each meticulously conceptualised to enable educators to better connect with their students, to prepare their students for future challenges and to best assist those who falter.

## About the Programme Organisers

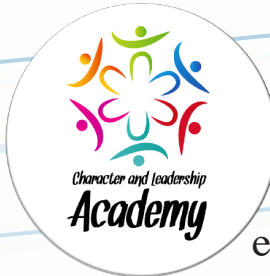

Founded in 2005, **Agape Group Holdings** has a mission to be a centre of excellence for organisation

excellence, innovation and leadership-based best practices which focuses on improving your organisational effectiveness and strengthening your competitive edge.

Agape Group Holdings ensure that the next generation of leaders or members of the society will be equipped with the necessary tools, techniques and skills to motivate them to achieve greater results for themselves as well as the society.

The Organisation seeks to engage, empower and equip youths, both local and global alike, with the essential personal development, leadership skills as well as the appropriate character traits because it is their believe that personal values and characters are the key foundation and life-smith of every youth.

**Character & Leadership Academy (CLA)** is a social development enterprise that seeks to engage, empower and

equip youths of today, both local and international, with essential personal development and leadership skills, alongside appropriate character traits for an ever-changing world of tomorrow.

Set up by Agape Group Holdings in 2014, CLA was founded based on the belief that Personal Values and Character are the key foundations and life-smith of every youth leader, where in the absence of either, would not allow them to effectively lead with pride and integrity.

CLA aims to reach out to 25,000 youths by the year 2025 through working closely with mainstream schools, local and global youth organisations. This initiative will see interaction between youth leaders from Singapore and other countries such as Malaysia, Indonesia, the Philippines, South Africa, Hong Kong and the United States.
